1. About the College

CampusAI Demo College of Engineering (CADCE), located in the heart of Pune, is affiliated to Savitribai Phule Pune University. Established with the vision to provide world-class engineering education, CADCE spans a sprawling 50-acre green campus. We believe in holistic development, fostering innovation, and building future leaders.

2. Departments Offered

- Civil Engineering (CE)
- Information Technology (IT)
- Electronics and Telecommunication (EXTC)
- Mechanical Engineering (ME)
- Computer Engineering (CS)
- Artificial Intelligence and Machine Learning (AIML)
- Data Science (DS)
- Internet of Things (IOT)
- Chemical Engineering (CHE)

3. Eligibility Criteria

Candidates must have passed 10+2 with Physics, Mathematics, and Chemistry/ Biotechnology/Biology/Technical Vocational subject. Minimum 50% marks for General category and 45% for Reserved categories from Maharashtra. A valid score in MHT-CET or JEE Main is mandatory.

4. Admission Process

The admission process is centrally governed by the State CET Cell, Maharashtra through CAP (Centralized Admission Process) rounds. Management quota admissions are conducted at the institute level based on merit.

5. Important Dates

- Application Start: 1st June 2025
- Last Date to Apply: 30th June 2025
- Merit List Display: 5th July 2025
- CAP Round 1: 10th July 2025
- Commencement of Classes: 1st August 2025

6. Fee Overview

The total indicative fee for the first year is approximately ₹1,25,000/- per annum, subject to change as per the guidelines of the Fee Regulating Authority (FRA).

7. Campus Facilities

- State-of-the-art Laboratories
- Central Library with Digital Access
- Hostel for Boys and Girls
- Sports Complex
- Wi-Fi enabled campus
- Cafeteria and Food Courts

8. Contact Information

For queries, contact the Admission Cell at +91-20-12345678 or email admissions@cadce.edu.in. Address: CADCE Campus, Knowledge Park, Pune, Maharashtra 411057.

Detailed Information - Part 1

At CADCE, we are committed to fostering an environment where innovation thrives. Our curriculum is designed not just to impart theoretical knowledge, but to encourage practical application. Through a blend of rigorous academics and hands-on projects, students are prepared to tackle real-world challenges. The faculty comprises experienced professionals and academicians who are dedicated to mentoring the next generation of engineers. Our state-of-the-art facilities provide the perfect backdrop for this educational journey.

Furthermore, our robust industry tie-ups ensure that the education delivered is aligned with current market trends. Regular workshops, guest lectures, and industrial visits are integral parts of the academic calendar. This exposure ensures that our graduates are highly sought after by top recruiters globally. We also place a strong emphasis on soft skills development, recognizing its crucial role in career advancement.

Research and development are at the core of our institutional philosophy. We encourage students from the very first year to engage in research projects. Financial and infrastructural support is readily available for innovative ideas. Many of our students have successfully published papers in international journals and filed patents before graduation. This culture of inquiry and discovery is what sets CADCE apart from other engineering institutes.

Beyond academics, we believe in the holistic development of our students. The campus is always buzzing with extracurricular activities. From technical symposia to cultural festivals, there are ample opportunities for students to showcase their talents and hone their leadership skills. Our sports facilities are top-notch, encouraging physical fitness and team spirit. We strive to create well-rounded individuals who will contribute positively to society.

Continuous evaluation and feedback mechanisms are in place to monitor student progress. We maintain an open-door policy, encouraging constant dialogue between students and faculty. Specialized remedial classes are conducted for those needing extra help. Our comprehensive student support services include counseling for academic and personal issues. We are dedicated to ensuring that every student reaches their full potential during their time at CADCE.
