CampusAI Demo College of Engineering (CADCE)

Pune, Maharashtra - Affiliated to Savitribai Phule Pune University

Frequently Asked Questions (FAQs)

Academic Year 2025-26

OFFICIAL / CONFIDENTIAL DOCUMENT

Table of Contents

1. Admissions FAQs
2. Hostel FAQs
3. Academics FAQs
4. Placement FAQs

1. Admissions FAQs

• Q: Is there any management quota? A: Yes, 20% of seats are reserved for institute level admissions.
• Q: What is the cut-off for CS? A: The cut-off usually hovers around 92-95 percentile in MHT-CET.

2. Hostel FAQs

• Q: Is AC available in hostel rooms? A: No, currently only non-AC rooms are available.
• Q: Can I change my room? A: Room changes are only permitted in exceptional cases at the end of the semester.

3. Academics FAQs

• Q: Can I change my branch in the second year? A: Yes, subject to vacancy and your first-year CGPA.
• Q: Are laptops mandatory? A: Yes, for IT and CS branches, a laptop is highly recommended.

4. Placement FAQs

• Q: Are there core companies for Mechanical? A: Yes, companies like Tata Motors and L&T visit regularly.
• Q: Can I sit for placements if I have a live backlog? A: Most companies require you to clear all backlogs before the joining date.

Detailed Information - Part 1

At CADCE, we are committed to fostering an environment where innovation thrives. Our curriculum is designed not just to impart theoretical knowledge, but to encourage practical application. Through a blend of rigorous academics and hands-on projects, students are prepared to tackle real-world challenges. The faculty comprises experienced professionals and academicians who are dedicated to mentoring the next generation of engineers. Our state-of-the-art facilities provide the perfect backdrop for this educational journey.

Furthermore, our robust industry tie-ups ensure that the education delivered is aligned with current market trends. Regular workshops, guest lectures, and industrial visits are integral parts of the academic calendar. This exposure ensures that our graduates are highly sought after by top recruiters globally. We also place a strong emphasis on soft skills development, recognizing its crucial role in career advancement.

Research and development are at the core of our institutional philosophy. We encourage students from the very first year to engage in research projects. Financial and infrastructural support is readily available for innovative ideas. Many of our students have successfully published papers in international journals and filed patents before graduation. This culture of inquiry and discovery is what sets CADCE apart from other engineering institutes.

Beyond academics, we believe in the holistic development of our students. The campus is always buzzing with extracurricular activities. From technical symposia to cultural festivals, there are ample opportunities for students to showcase their talents and hone their leadership skills. Our sports facilities are top-notch, encouraging physical fitness and team spirit. We strive to create well-rounded individuals who will contribute positively to society.

Continuous evaluation and feedback mechanisms are in place to monitor student progress. We maintain an open-door policy, encouraging constant dialogue between students and faculty. Specialized remedial classes are conducted for those needing extra help. Our comprehensive student support services include counseling for academic and personal issues. We are dedicated to ensuring that every student reaches their full potential during their time at CADCE.
